Agenda Item

DATE: April 26, 2022

TO: Parks & Recreation Commission

FROM: Michael Rock, Interim City Manager
Julie Millard, Management Analyst

SUBJECT: T-Mobile Hometown Grant

RECOMMENDED ACTION:

1. Discuss T-Mobile Hometown Grant and potential options for project submittal.

FISCAL IMPACT:

There is no fiscal impact associated with this item.

BACKGROUND:

The purpose of the Parks & Recreation Commission is to advise the City Council on all matters relating to public parks and facilities and recreation matters and services.

In April 2021, T-Mobile partnered with Main Street America and Smart Growth America and launched T-Mobile Hometown Grant, a \$25 million, five-year initiative to support small towns across America thrive and grow by providing funding to kickstart new community development projects. Each quarter, 25 small towns are awarded Hometown Grants up to \$50,000, depending on the project.

At today's meeting, Staff is asking the Commission to consider the T-Mobile Hometown Grant and discuss potential options for project submittal. Staff will follow up with a survey to the Commission asking them to prioritize the proposed projects. At the next Parks & Recreation meeting Staff would review the survey results and ask the Commission to make a recommendation to City Council.

- B - T-Mobile Hometown Grant Application

What is the T-Mobile Hometown Grants Program?

T-Mobile is committing up to \$25 million over the next 5 years to support small towns across America by funding community projects.

What kinds of projects will T-Mobile fund?

The T-Mobile Hometown Grants program will help fund projects to build, rebuild, or refresh community spaces that help foster local connections in your town. For example, this might include the town square pavilion, a historic building, an outdoor park, a ball field, or a library-- every town has places where friends and neighbors connect.

How does the T-Mobile Hometown Grant program work?

Grant applicants may enter at T-Mobile.com/HometownGrant

- Small towns with populations less than 50,000 are eligible to apply.
- Recipients are selected and awarded on a quarterly basis.
- Grants are up to \$50k per town.

Who can request a T-Mobile Hometown Grant?

We are looking for elected leaders, town managers/employees, or non-profit leaders to submit the details for their project request using the [Hometown Grant application](#).

What should I submit during the application process?

Full proposal should be three (3) to five (5) pages. Should include, but is not limited to:

- Detailed description of project to be evaluated by an internal TMO panel and nonprofit organization(s)
- Detailed budget, including breakdown of budget line items
- Timeline
- "Shovel ready" plan, with:
- Outline of expected town outcomes, demonstrating how the project or strategy will lead to the anticipated result/change
- Details on permits needed/obtained, if applicable, to begin work upon receipt of funds
- Any additional companies/business partnerships to be contracted for the work
- Up to 5 letters of support from local government and/or community organizations, partners or members, demonstrating community alignment, engagement, and consensus for the proposed project.

What are key submission deadlines?

Applications will be open on a quarterly basis with the following schedule:

- Spring: Applications open January – March
- Summer: Applications open April – June
- Fall: Applications open July – September
- Winter: Applications open October – December
- Portal will close on the last day of each quarter and reopen for the new quarter on the first of the month
- All Hometown Grant applications will be notified 30-60 days after the end of each quarter on the status of the submission.

How are towns selected?

T-Mobile is partnering with trusted non-profit organizations SmartGrowth America and Main Street America on our grant selection panel. Both organizations have deep expertise in building stronger, healthier, and more connected communities.

How will winners be notified?

Grant recipients will be contacted directly by a T-Mobile representative of their acceptance or denial. No status will be available before that communication.

T-Mobile Hometown Grant application

We're invested in helping communities across America thrive. That's why we're committing up to \$25 million to small town grants over the next five years. Apply for funding to support a community project of your choice, like revitalizing a town hall, a senior center, a local little league field, or any space where friends and neighbors gather. We look forward to learning more about your town and your project.

SUBJECT: Howard Park – Dog Park

RECOMMENDED ACTION:

1. Approve the design of the Howard Park – Dog Park project.

FISCAL IMPACT:

There is no fiscal impact associated with this item.

BACKGROUND:

The purpose of the Parks & Recreation Commission is to advise the City Council on all matters relating to public parks and facilities and recreation matters and services.

In 2014, the dog park at Howard Park was approved by the City Council. The current facility includes a big dog area with space to allow future development. Plans being presented to the Commission today include development of two smaller enclosures, one for small dogs and another for single-family use. The project includes fencing off the two new areas and will require trench work to get water access to the two new areas.

The single-family area is intended for use on a first-come first-serve basis with a 20-minute time limit if there is another dog waiting. This area would be available for dogs with anxiety around other dogs, to allow owners to train their dog without the distraction of other animals, etc.

Staff is asking the Commission to review and approve the design plans for two additional enclosed dog areas and make a recommendation to City Council.
