Ione Veterans Memorial Park

Located on the northwest corner of Main Street and Preston Avenue, the park was built to honor our veterans. The memorial wall represents veterans from the greater Ione area who have served in the military. Current servicemen and women are also honored in the park. If you would like to place the name of a current individual serving in the military, or a veteran, use the link provided with the application form: [Veterans Wall Plaque Application](#). There is no charge to place a name at the park. This project is funded entirely by donations.
