

# Ione Police Department

1 E. Main Street / P.O. Box 398  
Ione, CA 95640

John Alfred, Chief of Police

## Ione Police Department CCW License procedure – LICENSE AMENDMENT

Any licensee may apply to amend a license at any time during the period of validity by completing and submitting a written Application for License Amendment along with a \$25 processing fee. Amendments that can be performed are:

- Adding or deleting firearms listed on the license
- Changing restrictions on the license
- Change of address or other personal information on the license

Please be aware that an amendment to a license will not serve to extend the original expiration date of the license, nor will an application for an amendment constitute an application for renewal.

To amend a license:

1. Complete a written Application for License Amendment form.
2. If adding a firearm: Complete a CCW firearms training course with your firearm, using one of the approved firearms instructors, and submit the Certificate of Completion to Ione PD.
3. You will be contacted by the Ione Police Department and be asked to bring your *unloaded* firearm into the Police Department for a full safety inspection.
4. If the CCW license is granted, you will be issued an amended license. You will need to relinquish your original license, provide a signature and thumbprint on the newly amended license, and submit a check or money order in the amount of \$25 to the City of Ione (the cost of the amended license application fee charged by the City of Ione).
