Ione Public Works Department Announcement:

It's officially summertime! Here are a couple of the things

Public Works has been keeping busy with:

- Perry Earl Park has its seasonal shades up! Take the kids to enjoy some time out of the sun on the playground!
- The Park and Ride at the end of Main Street has been blown off, trees trimmed, and prepared for your convenience. Why not visit downtown Ione?

It's time to get out and about and soak in the sunshine. Enjoy Ione; where your heart belongs!

City of Ione Fire Department Announcement:

Please always practice fire safety, but especially during the high fire danger summer months. Check your PG&E overhead wire that serves your home and assure there are no tree branches near them. With the fall winds, removing the hazards now will help prevent fires. Contact PG&E to report any concerns. Check any electrical appliances that run continuously and assure they have proper air intake clearance and are clean to prevent overheating. If you have a home generator, make sure the surrounding area has proper clearance and no combustibles are near the exhaust pipe or any opening into your home to prevent carbon monoxide poisoning.

Thank you for doing your part in fire safety.
