

## Event Planning Concierge Support

New to our City services are the Business Concierge and Event Concierge. These services are to assist event planners and new businesses with information to streamline their event or business process.

Planning an event in the City of Lone? Whether it is a festival, ceremony, competition, party, or special event the City of Lone offers support to help you navigate the process.

The City of Lone can help with establishing dates and alternate dates, selecting and reserving the event site, acquiring permits (alcohol permits, insurance licenses, road closures, etc), coordinating parking, location support (such as electricity and other utilities), roadway access, security, emergency plans, aid stations, and cleanup.

We are here to assist you in making your event a success. Please contact City Hall at 209-274-2412.
